PERMISSION TO REPRINT

Date: May 19, 2017

Dear Royal Botanical Kew Gardens,

I am preparing a book to be published by Princeton Architectural Press, LLC, New York (the "Publisher"), currently entitled 3D Printing: Emerging Objects. This letter requests permission for the Publisher to print images that you own in the work.

The material to be reproduced is one photograph of a high resolution digitized scan of a wood element. By signing this agreement, you grant the Publisher and its licensees and assignees the following non-exclusive rights to use the Photograph(s) in connection with the publication of the Work: (i) the right to print, publish, and sell the Photograph(s) in all editions of the Work, whether published by the Publisher or its licensees, including book club editions, foreign editions, and digital editions; (ii) the right to license to magazines, newspapers, and other periodicals the Photograph(s) as part of excerpts from the Work; (iii) the right to use the Photograph(s) and the photographer's name on the cover of the Work; and (iv) the right to use the Photograph(s) in promotional material, including but not limited to advertising, articles, and reviews, in connection with the Work.

The Publisher shall include an acknowledgment on the credits page of the Work, and unless you request otherwise will use the conventional scholarly form of acknowledgment.

The Publisher reserves the right to vary the format of the acknowledgment to conform to the Publisher's current standard form.

You warrant that you are the sole owner of the rights to the Photograph(s) hereby conveyed, that you have the authority to enter into this agreement, and that the Photograph(s) and Publisher's use of thereof do not infringe on the rights of any other person or party.

For the purposes of this agreement, "photograph" shall refer to any visual image, whether produced by a camera or other means, other than type.

This agreement will remain in effect for as long as any edition of the Work is in print, whether published by the Publisher or any of its licensees or assignees.

Thank you.

Sincerely,

Please indicate your agreement and acceptance by signing below:
